ABOUT US

Serving as The Voice of Forestry in Tennessee for more than 50 years.

TFA uses public affairs, legislation, communication, and educational programs to foster a better understanding and appreciation for the forest and forest-based industries in Tennessee.

Through sponsoring and supporting programs, the TFA staff and its members work to ensure the future availability, use, and quality of these vital natural resources.

With an emphasis on lobbying and collaboration with the state legislature, TFA supports landowners and businesses for a thriving forest product industry.

FORESTRY IMPACT

Why is it important to Tennessee?

ENVIRONMENT

Forests are a critical part of our environment, protecting rivers and streams, stabilizing soil, and habitat for wildlife, forming a vital piece of our state's natural beauty. Forests cover 52%, or 14.4 million acres, of Tennessee land.

ECONOMICS

In 2021, the forest and forest product industry contributed \$21.7 billion to the Tennessee economy and \$500 million in state and local tax revenue, with 85,500 industry employees working throughout the state,

LANDOWNERS

Private landowners own more than 80% Tennessee forest land. So that future generations continue to reap the enjoyment and economic benefits of our forests, TFA dedicates programs and resources to helping landowners manage their property.
