73 Years of Fun

While instruction of the forestry profession is the core mission of camp, there is plenty of time to have fun.

Activities include basketball, swimming, fishing, hiking, cornhole, and more.

From opportunities to compete with fellow FFA members in camp games to bonfire night, the traditions at Forestry Camp result in friends for life.

On Wednesday night, the faculty and counselors host a cookout and invite friends and family for a short visit.

Outdoor learning from the best in the business
